

Kansas Institute of Underground Technology Horizontal Directional Drilling Agenda

Monday

- 8:00 am Welcome/Introductions/Agenda – Clark Coco, Eric Burks, Stan Odle
- 8:30 am Directional Drilling 101
- 10:00 am Break - Group Photo
- 10:15 am Equipment Walkaround
- Noon Lunch
- 1:00 pm Safety
- 3:00 pm Pre-Planning

Tuesday

- 8:00 am Review
- 8:30 am Tracking Electronics 752
- 10:00 am Preventative Maintenance
- Noon Lunch
- 1:00 pm Meet at simulation room demo
- 2:00 pm Drilling Fluids

Wednesday

- | | |
|----------|--|
| 8:00 am | Review |
| 10:00 am | Field Operation (Pilot Bore Training) |
| Noon | Lunch |
| 1:00 pm | Field Operation
(Calibration, set-up, anchoring, entry pit, mud mix, hose connection) |

Thursday

- | | |
|----------|--|
| 8:00 am | Review |
| 8:30 am | Drill Pipe Maintenance |
| 9:30 am | Downhole Tools |
| 10:30 am | Field Operation (Backreamer connection, product pipe connection, backreamer) |
| Noon | Lunch |
| 1:00 pm | Field Operation (Cont) |

Friday

- | | |
|---------|--|
| All Day | Field Operation (Completing multiple set-ups, pilot bores and backreamers) |
| TBA | Graduation |
